Support to Our Students Having Financial Hardship Condition: COVID-19

Dear All DUMAA Members,

Hope all of you, your family members and relatives are fine though COVID-19 pandemic has been impacting everyone's life and we are currently passing through a very uncertain and unprecedented time-span. We do pray to Almighty to keep us all protected from this unknown virus.

You are aware that our beloved current students are at their home/ outside campus, and many of them use to survive with the support of private tuition-fee including some of them have to support also their family financially. Since there is little hope to come back to normality, may be longer than two months. In response to this challenging situation, the teachers of two departments (Math and Applied Math) have scrutinized around 65 students who are in disadvantaged position among near about 90 students with the help Student Advisors and CRs of respective departments. Thus with the help of independent contribution of the Teachers of two Departments, a token amount (@Tk. 2040 ~ 3000) has been given to our students by end of April.

By this time, DU higher authority has requested to help our students through respective Departmental Alumni Association also.

For this circumstances, the Executive Committee has taken the decision (over phone, through SMS and emails), to support financially to our above students for at least two times: Mid of May and Mid of June, if necessary Mid of July. Accordingly, you are humbly requested to support financially at your ability via bKash: 017 27 65 27 70 (Please mention: DUMAA as Reference, Md. Mamun-Ur-Rashid Khan, Assistant Professor of Math Dept. and Sports Secretary of DUMAA), or existing DUMAA Bank Account No.: 440 573 425 7228, Name: Dhaka University Bishshobiddalay Alumni Association, Dhaka University Branch, Sonali Bank Limited.

It would be highly appreciated if you contribute as soon as possible, preferably on or before 14 May, so that we can disburse smoothly 17 May 2020 onwards

Being alumnus, let us come to support for our beloved current students at this appropriate time.

On behalf of the EC, thank you in advance for your cooperation and generous financial support.

Hope we will be able to defeat COVID-19 by our concerted-effort and soon will meet in crystal-sunny.

Is there any queries, feel free to ask me over phone below?
